

EVERGREEN RODEO TIME IN DRAYTON VALLEY JUNE 10th AND 11th

The track has been rolled, the grass has been cut, and the grounds have been cleaned in readiness for the Fourth Annual Evergreen Rodeo this weekend at the Drayton Valley Lions West Valley Park. The scene is set--now all it needs is you!

Pancake breakfast and parade will open the show at 6:00 a.m. and 10:00 a.m. Saturday, followed by rodeo events beginning at 2:00 p.m. Events will include Saddle Bronc, with \$100. purse and trophy donated by Sekura Auctions; Bare Back, \$100. purse and Swanee Well Servicing Ltd. trophy; Bull Riding, \$100. purse and AM Plumbing and Heating Ltd. trophy; Calf roping, \$100. and Meraw and McGee Well Servicing Ltd. trophy; Steer Wrestling, \$100. and IGA trophy; Ladies' Barrel Race, \$50. purse and UFA Co-op

trophy; Junior Steer Riding, \$25. purse and M & R Trucking Ltd. trophy; Wild Cow Milking, \$25. purse and Rimbeby Wireline Services trophy. Panky's Enterprises Ltd. will be offering the trophy for All-Around Cowboy.

Saturday evening show begins at 6:30 p.m. and features the 13-2 and under pony race, registered 2-year olds, under stock saddle, open, Pembina derby, and the big chuckwagon races.

Sunday evening's show will feature a relay, 14-12 and under pony race, two open events, the Evergreen Derby,

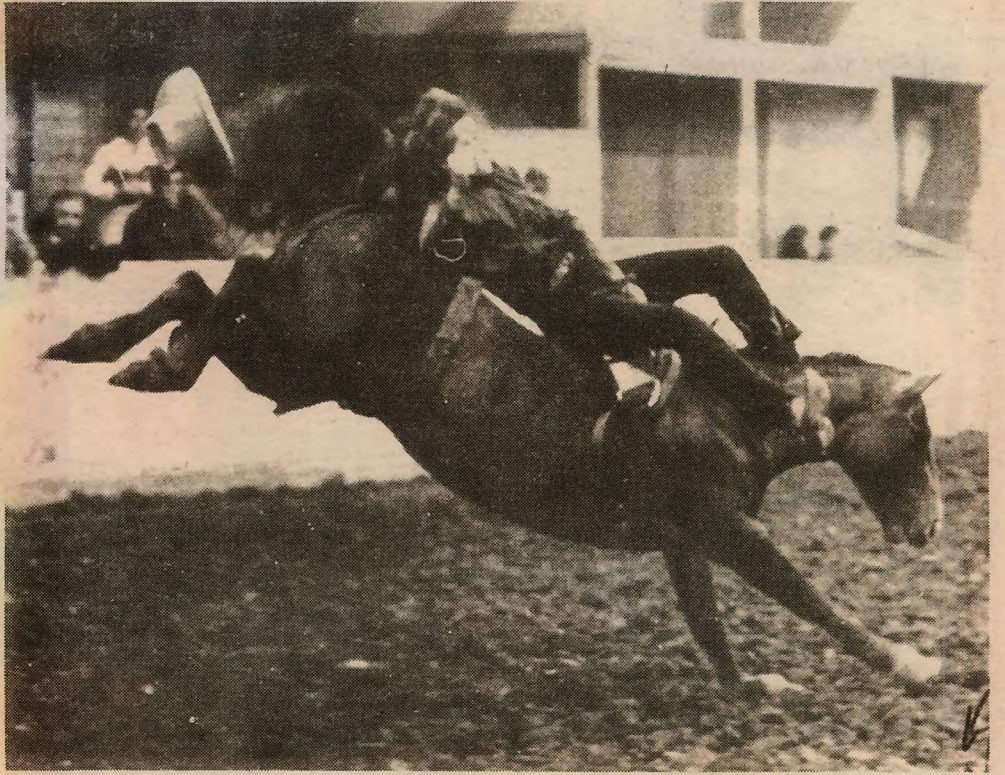

and three heats of big chuckwagon races.

A teen dance Friday and big western dance Saturday will be held at 9:30 p.m. with admission \$1.50 per person.

The Canadian Northlands Shows Midway will be open on the rodeo grounds both days and all events are C.C.A. approved.

This year's rodeo announcer is Roger Lehr, with Curley Pat Hunsaker of Ogden, Utah acting as clown and bull fighter.

Stock contractors and operators of the rodeo are Block Brothers of Rosalind.

Cougar Cat, one of Block Brothers rodeo performers, goes to work at dislodging a rider.

\$4300 RAISED BY SATURDAY MARCHERS

Some 350 walkers from ages five years to 70 years marched in the fifth annual Miles for Millions walk to raise \$4,300 for Oxfam and Drayton Valley.

The oldest walker, Lieutenant Governor Grant MacEwan, alone raised \$1,000 by walking the entire route. He completed his fourth walkathon of the year at 3:20 p.m.

First to complete the 25 miles were Darrell Bolter, 15, and Gerald Krabbe, 14, who jogged their way around the route, finishing at 1:35 p.m.

Over half of those who started completed the 25 miles, with some dropping out after the first three miles. The last to finish were two girls, who arrived back at the Civic Centre at 8:10 p.m.

A total of 6,414 miles were walked, with the highest individual pledges going to Barry Thompson at \$5.30 per mile, Bud Ball at \$4.44 per mile and John Suffron at \$3.81 per mile.

First in the team competition were the Elks, with John Suffron, Ron Pruden and P. Huslage gaining 426 1/2

points. Legion members Bud Ball and Barry Thompson gained 393 1/2 points, followed by the 5C's team of Lou Taylor, D. C. Corrothers, and Phyllis Dow with 299 points. Royal Purple members Lil Mayhew, V. M. Bengston and A. Halushka placed fourth with 266 points and Rotary placed fifth 200 points by John Arabaskey, Dan Baines and R. MacDonald. A total of \$795.71 was raised by the teams. The trophy will be presented to the winning team at a later date.

Collections of pledges may be deposited at the Royal

Bank any time, and a depository will be at the Legion Hall Wednesday, June 7th from 6:00 to 8:00 p.m. If necessary, another one will be open later in the month.

Any clothing left during the walk will be at the Legion Hall on Wednesday or can be obtained by phoning 542-3271.

The Miles for Millions Committee extend their thanks to the Royal Purple, Legion Ladies Auxiliary, Amoco (trucks and communication), D.V. Ford (official Cont. on Page 2

Calgary Power Plans Information Program

Calgary Power has announced it will sponsor a

public information meeting June 14 at the Stony Plain Town Hall to outline the company's activities in the Lake Wabamun area. It will begin at 8:00 p.m.

Edmonton Regional Manager Will Smith told the Western Review the meeting will present detailed facts on aquatic weeds, strip-mining, air emissions and heat disposal --- all problems related to the operation of the company's two thermal plants on Lake Wabamun.

He said the information meeting is being held in Stony Plain because of easy access for residents of the communities around Lake Wabamun, and also for cottage owners who reside in

Edmonton.

"These are problems that concern the people of this area and we want to separate fact from fiction," said Mr. Smith. "Too often we have been accused of not acting in the best interests of the general public. Some of these charges have no foundation or factual basis. This meeting is intended to provide discussion and interchange of ideas between the company and interested parties."

He said the company will outline what has been done in the past, and stress the company's current Environment Protection Program. Coffee and doughnuts will be served.

Situation Critical

Hot weather demands have created a heavy drain on the town water supply and the situation was reported as critical by Town Engineer John Arabaskey Monday.

A complete watering ban has been ordered until further notice. The rationing schedule in effect for the past several weeks has been suspended until the water shortage is overcome.

Bob Edwards, a member of the executive of the Pembina Oilmen's Club, presents the Championship trophy to Rod Colbert of Calgary following last week-end's annual oilmen's golf tournament. Runner-up was Derrick Watts of Edmonton, second from right. Consolation winner was Dave Hendley, right, of Edmonton.

Rod Colbert Wins Annual Oilmen's Golf Tourney

Two days of golfing in the annual Oilmen's Golf Tournament at the Drayton Valley Golf Course resulted in Calgary's Rod Colbert taking the championship, with runner-up Derrick Watts of Edmonton and Consolation winner Dave Hendley of Edmonton.

Some 120 golfers were entered in the 15 flights of play Saturday and Sunday, competing for over \$1500 in prizes.

Winners are: flight one, Art Assman; runner-up, Ken Machan; consolation, Ted Will. Flight two, Al Haarstad; runner-up, Adam Muz-

ylouski; consolation, I. G. Mitchell. Flight three, Stan Metelski; runner-up, Steve Shykula; consolation, Eldon Bergeson.

Flight four, Doug Bauman, Don Gamble, Clayton Ness; flight five, Joe Samaska, Lyle McGinn, Ron Hurst; flight six, Bob Kinzer, Alex Holowenko, Dale Mayan; flight seven, Joe Makarowski, Doug Frame, Bob Edwards; flight eight, A. Frankson, Hal Anker, Mike Daviduk.

Winners of the ninth flight Bob Shields, Stan Kondratyuk, James Selin; tenth flight, Fred Reid, Buck MacDonald,

Brian Hansen; eleventh flight L. Corrigan, Bob Weir, J. Roberge; twelfth flight, Barney Stratton, Jim Streit, Bill Tkachuk; flight thirteen, Myron Haluska, Andy Anderson, Harry Vanheveweghe; and flight fourteen, Gerry Nelson, Emil Hagman, and Charlie Davis.

Recent events around town include the Annual Cub and Brownie Banquet and awards night with the district cub master Mr. Rosentreter of Drayton Valley and Brownie leader of Alder Flats in attendance. Altogether there were about 50 parents and cub members present.

The Lodgepole students went to Entwistle on Friday to participate in an interschool track and field meet. Saturday the cub pack went to Evansburg for the annual Jamboree Meet.

Several willing workers are taking down the old skating rink building and using the lumber for hall improvements.

A dance is to be held on June 16th with a midnight Smorgasbord. Admission is \$3.00 per couple and the music is to be supplied by the Oiltones.

Attend Convention

Alex and Isolde Zubot attended the annual Stedmans merchandise convention in Toronto last week. This convention was well represented by dealers and their wives from the 350 franchise stores across Canada.

Buck Mountain Fish Derby To be Held June 9th to 12th

June 9, 10, 11 and 12th are the four big days set aside this year for the third annual Buck Mountain Fish Derby, sponsored by Breton and District Fish and Game

Association.

Known as the largest derby in Central Alberta, some 620 fishermen competed last year as compared to 382 in the first year. Roy Stout,

Derby Chairman, expresses hopes for even more this year.

"With a greater number of people entering the derby each year, we expect the

tradition we have established will last for many years to come," he said, "and we hope that the minor improvements each year will help all fishermen to enjoy the sport and competition even more."

This year, the hidden weight competition has been added, thus allowing every fish caught a chance to win.

Several individuals, including Derby Committee and weigh-in officials, will act as Derby Officials this year. These officials hope to keep the competition on the level of sportsmanship expected by society -- in the interests of conservation and fair competition.

Mel Kraft, Regional Fisheries Biologist, has been

the weigh-in official for the past two years, and the Derby Committee hopes he will be present again this year. All records of the derby are entered into fisheries research through Mr. Kraft's office.

The O'Keefe Event and O'Keefe Caravan will be part of the program again this year. The Derby Committee is considering having the Caravan move between registration points to provide entertainment for those on shore.

Over \$1,000 cash is offered this year, as well as several prizes and trophies. Entry fees are \$2.00 for an individual or \$7.00 for a family for the entire derby.

Oakes Bay on the north side of Buck Lake, government Campsite on the south

side, and Buck Mountain View on the west side are the registration points. The Derby officially opens 9:00 a.m. June 9th and will close 5:00 p.m. June 12th, with the government campsite at the Buck Lake townsite as the weigh-in point.

A \$20.00 prize will be awarded each day for the largest fish caught that day, with \$150 and a trophy going to the largest fish of the derby in the O'Keefe Event. Prizes will also be given each day for the hidden weight competition.

Last year's O'Keefe Event winner was Roth Forestburg, while Ray Anderson of Wetaskiwin won the Perch Event, D. Durstling of Leduc won the Walleye Event, and Peter Myr of Warburg won the Pike Event.

Wee College Graduation

Graduation for this years Wee College group took place on May 4th at 7:30 p.m. in the Penticostal Church. There were eleven children who completed this first year of a two part Bible kindergarten course. Our Graduates are: Linda Sandilands, Jane Sandilands, Pam Wandler, Mandy Roberts, Colin Frost,

Sharalee Madson, Darren McDonald, Stephen Smith, Rosanne Heft, Roxanne Heft, Stephen Hawryluk.

Wee College met each Thursday morning from October to April. Puppets, flannelgraph, large pictures, flashcards, songs and stories were some of the things used during the year. This

is a play-learning program set up with the four and five year old in mind.

This course is undenominational and we will be taking names for the fall classes later on during the summer. (sorry our picture didn't turn out.)

And they're off! Over 300 walkers took part in Drayton Valley's fifth annual Miles For Millions March Saturday.

FROM THE ELEMENTARY SCHOOL

This week let's meet another two personalities from the staff. Mr. Roger Smeland teaches grade six. He took his early education at Seven Persons and Medicine Hat. He has attended University at Calgary and Edmonton and has his degree. He taught at Medicine Hat and Lavoy, Alberta. Then he took a year off from his teaching and travelled all over North America. Mr. Smeland enjoys hunting, skiing and "tinkering". The Smeland's plan on building a home in town next summer.

Mr. Ross Betton is Vice-Principal of the Elementary School and also teaches grade six. He was born at High River and attended school at Sundre and Olds. He obtained his B. Ed. at the universities of Calgary and Edmonton. He taught at Olds and Beaver Lodge before coming to Drayton Valley. In the near future Mr. Betton plans to further develop his hobbies of a greenhouse and photography. The Bettons have four children and are building a home in the country this summer.

A recent ball tournament in the school saw the trophies change hands again. Mrs. Oakes' room claimed the grade 4 trophy, Miss Yakimchuk's the grade 5 trophy and Mr. Smeland's room the grade 6 trophy.

Report From Parliament Hill

By Allen Sulatycky, M.P.

Some days ago Prime Minister Trudeau announced categorically that there would not be a summer federal election this year. The very next day, one of Canada's largest newspapers had a front-page headline proclaiming, "Election Speculation Begins".

For months the people of the press have been filling their papers with accounts of how an election might be held during a particular month, or why it might not be.

On reflecting, I seem to recall that the guessing began almost the day after the last federal vote was held. Certainly within weeks of it, some scribes were announcing that because the Prime Minister was a "technocrat" his entire program would be arranged with great precision so that the next federal election would be held almost four years to the day after the previous one. Some others speculated that since Canada had had four federal general elections between 1962 and 1968, it would be most appropriate for the government to spare the population another election before its mandate expired in 1973.

The first few months of the Trudeau administration did not bring about much change in the election prognosticators. However the 1970 FLQ crisis in Quebec did. The government's decisive handling of the situation, coupled with the apparent inability of the other party leaders to take a clear position, was reflected in a subsequent Gallup poll showing the Trudeau government as having overwhelming public support.

Some columnists then began speculating that the government would call an election on the FLQ issue to take advantage of the situation. If Mr. Trudeau was looking for a time when he could come back with a stronger government, this was it.

From that point on, the daily press has been almost preoccupied with the election date. Of course, some politicians have also aided and abetted in the guessing game. In the spring of 1971, Edgar Benson introduced a popular budget (the next day even some of his foes were referring to him as "good old Edgar"). George Hees, the Conservative caucus leader called it an "election budget" and began taking bets that an election would be held before the beginning of winter 1971. George lost his bets.

When Parliament started its fourth session in February election fever was already well set in. Mr. Trudeau on several occasions cautioned that the "machinery should be slowed down". He said he was not contemplating calling an early election.

But even his last announcement has not dampened the enthusiasm of the election speculators. They must believe that the point of an election is to get it over with so that the guessing can start all over again on when the next one will be.

It seems to me that the object of an election is to elect a government which has a program to implement and

to allow it up to five years to implement it. Some very important legislation remains to be passed in this Parliament, and I am pleased that we will continue sitting until such items as election expenses, family allowances, veterans' allowances and pensions, old age pensions, foreign investment, farm credit and others of equal importance are passed.

LETTERS TO THE EDITOR

Editor,
The Western Review,
Dear Sir;

How would you like 20 tons of sulfur dioxide mixed with tons of water to be dumped on to Drayton Valley and district every day of the year for as many years as we are able to survive? Impossible you say, our government would never allow such a thing to happen.

It is with great regret that I use the pages of the Western Review to inform the people of Drayton Valley district that this very situation is going to occur unless we do something about it immediately. The Hudson Bay Oil and Gas company gave notice in the Journal on Thursday, June 1 that there will be a hearing in Calgary on June 22 to hear representations respecting Hudson Bay's application to increase the facilities of their plant by almost twice its capacity.

The expanded plant, will in addition to producing saleable gas, produce sulfur which will be disposed of in the following way. "Sulfur not recovered would be exhausted to the atmosphere as sulfur dioxide at a minimum rate of 19.78 long tons of sulfur dioxide per day through an incinerator stack 275 feet in height."

You do not have to be a great scientist to know that wind moves gas. Our winds come from the west. Water vapor mixes with gas. Water vapor plus sulfur dioxide equals sulfuric acid which will descend as sulfuric acid rain on you and I.

What are going to do about it? I am going to see Rusty Zander, write to the Journal, and Hudson Bay Oil and Gas Company. Won't you please help it's your town as well as mine.

Sincerely,
Peggy Tyler

Editorial — Comment

"A tree, which may in summer wear
A nest of robins in her hair."

It's over 50 years since Joyce Kilmer penned those lines and over the years almost all of us have been stirred by her famous poem.

In an area of many trees perhaps we tend to overlook their beauty and value.

Treed areas within the community are rapidly disappearing to make way for new construction, but by way of compensation, the town annually replaces broken trees on boulevards and continues the planting program. Given a chance to mature, the new trees help to restore a balance while promising beautiful shady streets for the future.

To achieve this goal the young trees must be protected. Every year many are damaged or destroyed -- their frail hold on life snuffed out by a thoughtless whack with a stick or some such careless misadventure.

Parents and schools could probably help encourage children to protect trees and part of the problem be removed, although all tree damage cannot be credited to children. And it's probably too late to impress anyone who has reached adulthood if at this stage in his life he has no regard for the community's betterment endeavor.

By protecting the young trees today we will be well rewarded a few years later by increased bird numbers and vistas of quiet residential streets lined by tall, shady trees.

This poem was written by Ellen Shaw, dedicated to Mr. J. Overbo and read on May 20th, 1972, at "The Mr. J. Overbo Appreciation Night" at the Tomahawk School.

A Tribute to a Fine Man

To our fair hamlet Tomahawk, in '39 there came,
A young and eager teacher, the students here to train
In all the fields of learning, reading, writing and the rest
And he settled down in earnest to really do his best.
Before I proceed farther, I should mention that his name
Was Mr. Johan Overbo, and his folks from Norway came.
Now since he was a married man with wife and kiddies small
He simply had to have a place, where he could them install
And so he built a little house upon the school grounds fair
Where he'd be close and handy to teach his classes there.

A dorm was moved for pupils, who were living far away
So they wouldn't have to travel back and forth, but could
there stay.

Now eleven was the highest grade, below that ten and nine
Three groups of lively students for Johan to keep in line.

Not only were there lessons to be planned and taught each day,
But recreation also, must be fitted in some way,
Equipment to be purchased, was quite a problem too,
With funds for sports extremely small, but still, he made
them do.

In those first years, he must have felt that life sometimes
was grim

Especially when things went wrong and the blame was laid
on him

But he must have had his moments too, when he was filled
with pride

At what he had accomplished and taken in his stride.

He encouraged his young pupils to keep an open mind,
First study all the pros and cons, before an answer find,
To choose their course, then follow it, though some may
criticize

And so many of his students, this advice have proved was
wise.

As time went by the school began to grow and to expand,
New teachers came to join Johan and give a helping hand.
Grade 12 was also added, so the young folk had a chance
To finish school, and hold each year a graduation dance.

And so Johan continued on in the moulding of our kin
Instructing, teaching, guiding, urging all to try and win.
A place in life, where they could find their talents in
demand

Secure content and happy in this our wondrous land.

The youth that he has faithfully taught thru 33 long years,
Tho now adults and scattered, still remember him quite
clear

For he's seen them married, met their mates and even
taught their young,

A record to be envied and a job that's been well done.

The reason we have gathered at this dinner here tonight
Is to honor and pay homage to a man who's earned the
right

After all his years of service to a peaceful carefree life
Just relaxing with his hobbies, and the company of his wife,

Mr. William Braybrook

July Marks 50th Year for Third Generation Oilman

It is said that every man has a story to tell, but for William Braybrook of 5072-45 Street in Drayton Valley, there are many stories to tell of his 50 years in the oil business.

July of this year will mark Mr. Braybrook's fiftieth year in the oil business -- and it all began three generations of Braybrooks ago when his grandfather, Adam Braybrook, bought oil wells in Marthaville, Ontario. Williams father, started the same way, but abandoned his wells in 1914 and went on to related oilfield positions such as manager of an oil refinery.

In 1905, William was born in Marthaville, three miles from Petrolia in the Southwest corner of Ontario. He attended school in Sarnia and graduated in Petrolia (known as the first oil producing field in Canada). At the age of 14, William was eager to get on the oil crews, but his parents persuaded him to finish school.

Following in his father's footsteps, and in the employ of International Petroleum, William began his oil career in Peru at the age of 17.

Starting as an apprentice in a warehouse at \$50 a month, he went on to production foreman at Point Parinas, the westernmost point in South America.

During his 17 years in Peru, Mr. Braybrook enjoyed "some of the best tuna fishing in the world" at Cabello in northern Peru near the Equadorian border. He remembers hunting in the foothills of the Andes for pigeon and deer, and swimming in the Pacific Ocean six months of every year.

Mr. Braybrook recalls the labor disputes which began in 1929 when the labor unions began to gain strength. A series of oil strikes began in 1930 and in 1931, the unions went on an extended one. Mr. Braybrook, along with several other men, was sent to bring in the cavalry. About 200 men and horses were brought into the strike area, and during the last week of the strike, the cavalry rode up and down shooting into the streets. As a result, the strikers were persuaded to go back to work, and unions dissolved until several years later.

Being in the desert area of Peru, Mr. Braybrook remembers seeing rain only about once every five years.

"Rain would start in February and usually end about March," he said. "Then the sandstorms would come every day during June and July."

In 1936, Mr. Braybrook married Anna Irene of Petrolia, Ontario in Guayaquil, Ecuador. During their honeymoon, the couple passed through the Jivaros Indian territory on the east side of the Andes -- the land of the headhunter. Mrs. Braybrook recalls actually holding a shrunken head in her hand. What was repulsive about the head, she said, was that it still had every detail of the original face!

Since leaving Peru in 1939, Mr. Braybrook has worked in various parts of Canada. When he returned to Petrolia, he decided to try his hand in the grain business, but after two years gave that up. During World War Two, he inspected torpedo engines for Westinghouse.

Getting back into the oil business, he worked at Vermilion for two years developing a small oil field for Canadian National Railways. In 1945, he took the position of Field Superintendent for Standard Oil of California (now known as Chevron Standard). Back east again in 1950, he went into partnership in a foundry, but returned to Edmonton with Canadian Homestead Oils in 1962. Responsible for field operations and production with Supertest Investments, the Braybrooks made their way to Drayton Valley. Since then he has acted in an advisory capacity for the company in such towns as Grande Centre and Smoky Lake. During that time, British Petroleum bought out Supertest Investments, and Mr. Braybrook was therefore officially re-

tired in September of 1970.

However, not ready to retire as such, Mr. Braybrook now acts as consultant for various oil firms through Don Noyes Consultants.

Mrs. Braybrook, herself, took up teaching five years ago "to make more use of her life." Their two sons both work with oil firms. Their two daughters, Daphne and Cecily, are both married and living in Edmonton and Winnipeg.

Mr. Braybrook marks his meeting of the Duke of Windsor and the Duke of Kent in 1930 as the highlight of

his Peruvian life, but he had many more stories he could tell.

His retirement? "Well, as long as I still feel mobile, I will keep acting as a consultant," he said.

YELLOW-HEADED BLACKBIRD — This big blackbird prefers the deeper marshes and sloughs where thick stands of vegetation such as cattail are found. Here its substantial, deep, cup-shaped nest is built, securely woven into supporting reed stalks or willows and always over water. The male yellow-head is unmistakable with his bright yellow head. The female is smaller and largely dark brown, her cheeks and throat suffused with yellow. Yellow-heads are western birds, in Canada ranging from extreme western Ontario across the prairies and into interior British Columbia.

DRAYTON VALLEY

Joseph forgives his brothers in "Joseph's Magnificent Technicolor Dreamcoat" played by junior high students in their first annual Drama Review.

Junior High Presents Drama Review '72

With a candelight finale involving the entire cast's wish for peace, Drama Review '72 came to an end Sunday afternoon after three days of performances June 1st, 3rd and 4th.

Director and Producer Paul Bradley felt that the calibre of the performances was high and was pleased with the cast.

"However," he said, "the show was off-season and the turnout was not what we expected."

As a result, Mr. Bradley and his assistant director Pam Reid plan to put the show on again in the fall and hope to take it on tour.

About 70 junior high students participated in what was the first of an annual event. Choreographers Karen Kirkwood and Gerry Thurston helped with the dancing routines, with Dale-Ellen Cartwright and Diane Bradley assisting with costumes, Brent Fraser on sound, Darcie Carl on make-up, Roy Omelchuk, Donna Bierkos, Susan Berezowski, and Dwight Smith on lights, and Bert Gano, David Andrews, Wayne Sawyer and Robert Medwed on stage crew.

Although curtains opened at 8:00 p.m. during the evening performances and 2:00 p.m. Sunday afternoon, pre-show entertainment was provided by 12 modern dancers and drummer David Fraser.

A march-on by the entire cast opened the show and "Party Time", a younger version of "Laugh-In", put everyone in good humor.

April Krueger, Drayton Valley search for Talent winner, twirled her baton to "Hellow Dolly". She was followed by a blacklight dance performance, "Hawaii Five-

O".

The Stage Nine band, directed by Arnold Pierce, featured Ed Toews on trumpet; Glen Ellery; lead guitar; Grant Gabrielson, bass guitar; Robert Smith, saxophone; Ed Eustace on flute and bongo drums; Bill Panzer on trombone, Ian Maclean on drums, Mr. Pierce on organ and trumpet, and Wendy Fagervold as singer.

"The Beat Goes On" with 10 jazz dancers, was followed by April Krueger's baton interpretation of "El Capitaine." Honorable-award winning jazz performance in the Drayton Valley Search for Talent competition, "Maxwell's Silver Hammer", was performed by Andy Getzinger, Toni Schmidt, Kim Davidson, Krista Hansen, Wanda Gabrielson, Debbie Daviduk, Annellen Reid, Bev Wasyk, and Brenda Kruger.

"Joseph's Technicolor Dreamcoat," a modern dance interpretation of the Biblical story of Joseph's coat of many colors, was "beautiful", as many in the audience said after the program. Similar to "Jesus Christ Superstar", the part of Joseph was played by David Fraser. Bradley Belva played Pharaoh; Dale Chenery, Potiphar; Neil Kaarsemaker, Jacob; Wes Kelly and Brent Fraser, the guards; and Pat English and Bruce Moltzan, the Ishmalites.

Audrey Schmidt acted as Potiphar's wife, with Brenda Krueger, Cindy Getzinger, Denise Cawthorne, Debbie Daviduk, Kim Davidson, Audrey Schmidt and Pam Reid as the dancers. Joseph's 11 brothers were played by Marilyn Lainchberry, Wanda Gabrielson, Toni Schmidt, Annellen Reid,

Marie Swanlund, Ian Cowan, Gail Nekoliachuk, Barb Howe, Leslie Shearer, Teresa Townsend, and Beverly Wasyk.

The cast of "Joseph's Magnificent Technicolor Dreamcoat" ended the play by singing "Any Dream Will Do."

Mr. Bradley hoped that by next year the auditorium would be renovated and acoustics would be better.

"The Moppets" do their thing at a Song and Dance Revue put on by St. Anthony's Grade 6 students May 26.

Song and Dance Review

About 45 grade six students under the direction of music teacher, Mr. Dickson presented a "Song and Dance Review" at St. Anthony's Friday, May 26th at 1:30 p.m.

With no accompaniment, the program got underway with "If I Had A Hammer" and "500 Miles" sung by the grade 6B chorus. Several other songs, such as "Farewell to Nova Scotia", "Green Grow The Rushes O", "Un-

icorn", were sung by the 6A and 6B choruses, who have been practicing since Christmas.

The second half of the program showed various dance routines by the students, including "Heel and Toe

Polka", "Uncle Jim Jig", the difficult "Partner's Schattische", "Twist and Shout" by the Moppets, "Butterfly Dance", "Bunny Hop", and the "Ranger's Waltz."

Gainford News

Bingo was held in the Hall on Wednesday evening with the jackpot not being won.

Two weeks ago while Alex Holosney was visiting his brother Edward, owner of a hotel in Fort Assiniboine, fire broke out in the early morning. It was found that a guest had gone to bed smoking and his bed was burning. No injuries resulted and the hotel was only smoke damaged.

Visitors at the Bud Lenz home last week were Mr. and Mrs. Glen Gilchrist of Edmonton and their sons Dave and Jim. Carrie Lenz is staying with her Aunt Eileen and Uncle Bud and Roy is staying with grandparents Mr. and Mrs. Kayser of Sundance while their mother is in hospital.

Word has been received that Wendy Lyle of St. Albert, granddaughter of Mr. and Mrs. H. McLachlan, is having a long stay in the St. Albert hospital.

Jim and Hazel Brown left Saturday morning for a trip to Saskatchewan to visit relatives and friends.

Last week Edward Holosney brought the twins and two of his other children to the lake.

The Pembina district scouts held a Camperama at the Lutheran Youth Camp

on Isle Lake last weekend. The first Airbourne Detachment from Edmonton gave a display of weapons and survival equipment in the afternoon, and at night they showed flares and rescue tactics, making a beautiful display of fireworks on the lake. Boys from Gainford were Darrel Dzus, Barry Thorburn, Darrel Thorburn, Tim Winters, Dan Lenz and Brent Pohl. These boys arrived home with four firsts, six seconds and three thirds making a total of 12 ribbons. In attendance were Hinton, Mayerthorpe, Jarvie, Drayton Valley, Westlock, Fox Creek, Whitecourt and Gainford. Saturday was Family Camping so a lot of the parents enjoyed the proceedings.

Carol Lenz is in the Stony Plain hospital where she underwent surgery. Eddie Wayne Meronovich has been moved from Edmonton to Drayton Valley hospital where he is undergoing treatment.

A number of friends gathered at the Hermann Baurriess cabin on Saturday evening to enjoy a cabin warming party and to see the renovating work which has been done by Hermann and Edith and the Motch family from Edmonton.

Agricultural Board Meets

Meeting of the Agricultural Committee, County of Parkland No. 31 held in the County office at Stony Plain on May 19, 1972 was called to order at 10:10 a.m. by Chairman Peter Bakker.

Present were Chairman Peter Bakker, Councillors Jacob Fuhr, George Mann, Maurice McCullagh, Leslie N. Miller and Ivan Vowk; District Agriculturist Earle Lowe, Agricultural Fieldmen William Moelhoff and Otto Reich; Mrs. Flora Porter, Agricultural Advisory Committee member.

The minutes of the last meeting held April 21, 1972 were adopted.

FORAGE CROP

MANAGEMENT PROGRAM It was moved and carried that the program proceed as outlined and that a draw for applicants for the forage crop assistance program, if necessary, be held at the Agricultural Advisory Committee meeting on June 12.

Correspondence was received concerning the Poisonous Weed Survey. Notice was given of Annual Seminar on Pest Damage, Control Methods and Techniques. It was moved and carried that the Fieldmen be authorized to attend the seminar.

ROADSIDE SPRAYING 1972

It was moved and carried that Allied Chemicals be awarded the contract for roadside spraying subject to more details to be outlined in the tender.

Correspondence on reduced Agricultural Service Board Grant was received as information.

It was moved and carried that systemic warble and chemical sales be handled by three consignees and County Office's and the County subsidize sales at 50¢ a container.

It was moved and carried that the County Chemicals be handled by three consignees and the existing policy be

strictly adhered to.

It was moved and carried that the Agricultural Committee meetings be held on the last Friday of the month for the remainder of this year.

ADVISORY COMMITTEE RECOMMENDATION

Mrs. Flora Porter presented the following recommendations: "In view of rough and washboard roads and because it seems some operators seem to have more ability to keep their roads in better condition The Agricultural Advisory Board recommends a training program for Grader Operators be required or "in-service" training be provided.

In regard to the Facility

Program Fund, we the Agricultural Advisory Committee have the following comments: We question the basis of establishing need and priority of programs under the Facility Program Fund. We recommend the following basis of establishing need for a project in a community: The project should have wide community acceptance before approval; We feel that special consideration should be given to eliminate building duplication in small communities (e.g.) if a suitable community building now exists a grant for another structure should be given low priority; and we support you in your expansion of encouraging community use of school facilities.

Summary Regular Meeting Parkland County Council

Regular meeting of the Council of the County of Parkland No. 31, held in the county office at Stony Plain, on Thursday, May 18 was called to order at 10:00 a.m.

Present were Reeve Leslie N. Miller, Deputy-Reeve Ivan Vowk, Councillors Jacob W. Fuhr, George Mann, Maurice McCullagh, Peter Bakker and Robert A.B. Bailey.

Due to a clerical error the improvement assessment on Block 1, Plan 621 R.S., Pt. NW 25-51-27-4 was omitted from the tax roll. A motion to authorize chief Assessor Kenneth R. King to place this improvement assessment on the roll for 1972 taxation purposes was defeated at the Council meeting held on April 20, 1972. It was agreed that the decision of Council made on April 20 be rescinded and that this improvement assessment be entered on the roll for 1972 taxation purposes and a hearing of an appeal against this assessment be set for June 8, 1972 at 10:00 a.m. in the county office at Stony Plain.

Chief Assessor Kenneth King was present and requested permission to attend an Assessor's Seminar to be held in Hinton on June 6-9, 1972. It was agreed that Mr. King be authorized to attend this seminar and the County to absorb the necessary expenses.

The minutes of the last regular meeting held on May 4, 1972, copies of which were forwarded to each Councillor were accepted.

STONY PLAIN-LAC STE ANNE HEALTH UNIT

A lease agreement on the above office building between the County of Parkland No. 31 and the Stony Plain-Lac

Ste. Anne Health Unit No. 17 was presented to Council for consideration. It was agreed that this building be leased to the Stony Plain-Lac Ste. Anne Health Unit at an annual rental rate of 10% of this building plus the amount of the yearly property tax and the aforementioned Health Unit to absorb the cost of all the utilities. It was agreed that the Reeve and Secretary-Treasurer be authorized to sign this lease agreement and that the rental rate be reviewed by Council after 10 years.

The Secretary-Treasurer reported that he has contacted Mr. D. R. Watson, Chief Accountant, of the Department of Municipal Affairs regarding County responsibility in absorbing a portion of the Drayton Valley arena deficit.

From the conversation with Mr. Watson it appears that the Department had made a verbal agreement with the Town of Drayton Valley to absorb a one-third portion of the yearly deficit. This agreement was made prior to this area being annexed into the County of Parkland. It was agreed that Council hold this matter in abeyance until a letter to this effect is received from Mr. Watson.

A request from the Department of Highways and Transport requesting the County to absorb additional maintenance costs due to the widening of the C.N.R. railway crossing was again considered. As more detailed information has now been received regarding what additional costs are involved it was agreed that the County absorb this additional cost.

A recommendation from the Public Works Manager that the County attempt to

purchase 17 feet of additional right-of-way and move the fence on the west side of NW 2-52-1-5 to the new right-of-way boundary was presented. It was agreed that as this would be a yearly occurrence that Council authorize the Public Works Manager to attempt to purchase this additional right-of-way.

The request for drainage assistance in gravel pit area in the NE 26-51-3-5 by Mr. Robert Akins of R.R. 1 Duffield was referred to the Public Works Department to supply information on drainage requirements and the Public Works Committee for inspection of the gravel pit. No progress reported.

The request for naming of the road from Highway 60, west through section 33-51-26-4 by Mr. S. Williams of R.R. 5 Edmonton referred to Councillor Bailey for recommendation as to name was again considered. It was recommended that this road be named "Hilltop Road". It was agreed that this recommendation of "Hilltop Road" not be accepted.

The request to lease the road allowance between the NE 35 and NW 36-50-27-4 by Mr. R. J. McCalla of Edmonton was again presented to Council for consideration. It was agreed that the road allowance between the NE 35 & NW 36-50-27-4 be leased to Mr. McCalla for 1972 for a rental fee of \$25.00 and the County advertise its intention to lease this road allowance.

ROCKY RAPIDS HALL ADDITION

Request by Rocky Rapids Community League for assistance for a hall addition was again submitted to Council for consideration. It was agreed that this request be referred to the Recreation Council for attention.

Mr. J. M. Byers of Stony Plain requested that Council consider developing the Chickakoo Lake Area into a park for public use. It was recommended that the County designate this area as a Park, that a Park Caretaker be employed and that the present kitchen facilities be repaired. Further recommended that other than these improvements the park remain in its natural state. It was agreed that the recommendation of Councillor Bakker be accepted.

It was recommended by the Public Works Committee to exchange a portion of the street immediately west of Lot B, Plan 4321M.C., Wabamun, 25 feet by 300 feet for Lot 32, Block 6, Plan 3680A.C. which is 25 feet by 140 feet and the Catholic Church to purchase the difference. The committee further stated that a 55 foot width would still be left on the street for future development if required. It was agreed that Council accept the recommendation of the Public Works Committee.

Notice from the Stony

Plain Municipal Hospital District requisitioning for \$55,940.33 for 1972 and a notice from the Drayton Valley Municipal Hospital requisitioning for \$14,770.00 for 1972 were approved.

A Committee was appointed to obtain further information on recommendations of Associated Engineering Services Ltd. concerning connection of Calgary Power Wabamun housing to Wabamun sewer system.

Letter dated May 11, 1972 from Mr. Douglas Baird of R.R. 1 Spurge Grove requesting to renew his lease on the Park Reserve Lot R2, Plan 608R.S. was submitted to Council for consideration. It was agreed that Council renew this lease to Mr. Baird for the period July 1, 1972 to June 30, 1973.

BACKSLOPING AGREEMENT

Backsloping Agreements were approved as follows on motion: Agreement for land next to the road lying South of Section 30-53-5-5 for the purpose of constructing a road backslope with compensation of \$40.00 per acre for crop damage, if any, and County to replace fence if one exists. Agreement for land next to road lying north of Section 19-53-5-5 for purpose of constructing a road backslope with compensation of \$40.00 per acre for crop damage, if any, and county to replace fence if any exists.

An agreement for an earth borrow pit on the SE 16-53-26-4 with compensation of \$250.00 per acre for all area disturbed and \$40.00 per acre for any crop damage was approved.

Written offer from Mr. J. D. Sheyn of Edmonton to purchase 90 sections of irrigation pipe at \$10.00 per section and 40 sprinklers at \$2.00 each was submitted to Council. It was agreed that these pipes and sprinklers not be disposed of in this manner. It was further agreed that the irrigation pipe and sprinklers be advertised for sale by tender.

An application to lease or purchase the NW 1-52-5-5 from Mr. Marion Bieda of R.R. 1, Duffield was presented to Council for consideration. It was agreed that the NW 1-52-5-5 be leased to Mr. Marion Bieda for 1972 at a rental fee of the amount of current taxes.

FLOODING COMPLAINT

Letter received from the Water Resources Division advising of a flooding complaint in Section 29-51-26-W4 due to improper placement of culverts through roads in this area, was submitted to Council. It was agreed that this letter be received for information and referred to the Public Works Department for inspection.

VILLAGE OF ENTWISTLE

NOTICE OF PUBLIC HEARING

The Council of the Village of Entwistle, under authority of Section 119 of the Planning Act, as amended, to control development within the boundaries of the Village of Entwistle by zoning will hold a public meeting.

The Council proposes to pass a By-law for the purpose of amending By-law No. 176, being the Building and Zoning By-law of the Village of Entwistle authorizing the rezoning of Lots 1 and 2, Block 24, Plan 6578NY, in the S.E. 20-53-7-5 from C3 - Commercial-Highway to M1 - Light Industrial.

The proposed By-law may be examined between the hours of 1 o'clock p.m. to 5 o'clock p.m. at the office of the Secretary, Village of Entwistle.

The public hearing will be held in the Village Office on the 19th day of June, 1972 commencing at 7:30 p.m.

Written objections to the proposed By-law will be received at this office until Friday, June 16, 1972. Objections submitted in writing prior to the meeting will be discussed before further oral presentations will be recognized.

LEGISLATIVE REPORT

By Kevin Peterson of The Calgary Herald

Premier Peter Lougheed's plan to garner an additional \$90 million by taxing crude oil reserves appears to have weathered a three-day storm of industry and public opposition.

The Lougheed government seemed unmoved by oil company arguments that the new plan would burden an already over-taxed industry and lead to an exodus of exploration rigs and investment capital from the prov-

ince.

The government "game plan" that the tax proposal would be a middle ground between industry pleas for maintenance of the status quo and anti-oil lobby demands for \$250 million more was confirmed in the hearings.

Mines and Minerals Minister Bill Dickie refused to comment on the possible final decision -- set for July 30 -- after the hearings. But while some concessions to

industry arguments are inevitable, the basic structure of the Conservative proposal will likely remain unaltered.

The scene now shifts from the public posturing into Mr. Dickie's panelled office and boardrooms of companies across the province. The minister told reporters he will welcome further meetings -- but information rather than negotiation will be the subject.

With the new tax on the horizon, one could almost hear the whirring of computers and clicking of slide rules as industry economists build a new formula for their business in Alberta.

The industry argument for the status quo had two basic parts: complaints that the government had failed to show a need for a new tax and opposition to the propos-

ed drilling incentive plan.

Oil companies have just begun to make a profit on their long term investments, the Canadian Petroleum Association, which headed the industry onslaught, said, and now face a further government tax.

The oilmen warned they are already fighting within their companies to bring exploration dollars here instead of to the highly attractive North Sea or the Arctic. Exploration in Alberta could drop off considerably, they said, because the tax proposal is unfair.

They also maintained they would have a tough time passing the price increase on to the consumer. Alberta oil might be able to weather a 15 cent a barrel price hike in Chicago, but would face competitive difficulties if a

similar increase was made for the Puget Sound or Ontario markets.

While the industry pumped the arguments at government benches, the opposition -- the Alberta Teachers Association, National Farmers Union and Alberta Federation of Labor were most impressive -- kept drilling away at the \$654 million profit anticipated for this year.

MLAs -- and the cabinet -- were courteous in their questions and industry spokesmen said they thought the hearing was very fair. But the tenor of queries was ample indication that government members didn't completely accept the industry argument.

Come home

in a Datsun

Before Datsun came to Canada, we got to know the country pretty well. We studied the driving conditions, we talked to the people. We found out what cars in Canada have to be. They have to be economical, dependable; they have to handle well, winter or summer. We found out that people want cars that can be serviced anywhere they drive in Canada... and that's why we have 270 dealers and huge parts warehouses right across the country. We asked, and now we know. And that's how we can build Datsuns that feel right at home here... cars you can feel right at home in.

Public Works Committee for inspection and recommendation.

It was agreed that an agreement be accepted for land in the south-east corner of the NE 23-52-2-5 for backslapping purposes with compensation of \$40.00 per acre for crop damage, if any, and the County to replace fence if one exists.

The Parkland Emergency Measures Organization budget for the fiscal year 1972/73 was submitted to Council for consideration. It was agreed that this budget be accepted for the year 1972/73.

VACATIONS

A request for four weeks vacation with pay for employees of the County of Parkland after 15 years service was discussed by Council. It was agreed that any employee attaining 15 years of continuous service be granted four weeks vacation with pay, if the employee so wishes. Further, should such an employee elect to take the four weeks vacation, only two weeks may be taken during the period May 1st to October 31st of any year, the remaining two weeks to be taken November 1st to April 30th. An employee with 15 years service may otherwise take three weeks vacation at any time he wishes.

A proposal by Councillor Mann to grant a long term lease on the Lots 11-13 and 20-22, Block 2, Plan 7370 B.K., to the Magnolia Community Association for expansion of their hall and sports ground facilities was submitted to Council. It was

agreed that a long term lease on those lots be granted to the Magnolia Community Association at no rental charge to the Association.

A discussion took place regarding the fencing of the Drayton Valley Shop yard as equipment and materials are being stored in this yard. It was agreed that the County call for tenders to fence the yard at the Drayton Valley shop.

Quotations were received from several Companies to supply, haul and apply road oil for the 1972 construction season. On recommendation of the Public Works Manager it was agreed that Merlin Transport Ltd. be authorized to supply the County with their 1972 road oil requirements.

Numerous complaints have been received regarding flooding problems in the area south and west of the Stony Plain Indian Reserve. It was agreed that the Water Resources Branch be requested to do a water study concerning the following properties: SE 10 & SW 11-51-27-4; SE 29-51-27-4; and S 1/2 & NE 31, NE 30, W 1/2 29, E 1/2 20 & SW 21 all in 51-26-4.

Buck Creek News

The members of the Ladies Club should be complimented for organization and paying a good part of the expense of busing 37 children to Drayton Valley for swimming lessons, from July 3 to 14. They would like to thank all the parents who cooperated so willingly.

A Hunter Training Course sponsored by the Breton Fish and Game Association will be held in Buck Creek. Bill Roos will be the instructor. 38 people have registered. Maureen Safronovich was hostess at her home on Monday evening for a baby shower for Judy Kerr, on behalf of the Sunday school teachers, the young ladies of Judy's class and their mothers. After the gifts were opened a delicious lunch was served to end a pleasant evening.

The boys baseball team won its game at Calmar Monday night, 9 to 7.

Mr. and Mrs. Gary Wagner and Gary's dad spent Sunday visiting the Joe Safronovich home.

The Teen Club have the hall booked for their next dance June 10th. Music by SUINN.

Joey Hauser was admitted to the Royal Alex last Sunday and had an operation on Monday. Mrs. Hauser has stayed in the city and when she phoned Wednesday said the doctor was pleased with Joey's progress so far.

Monday night Stan Safronovich took the Cubs to Drayton Valley to test the fellows for their swimming badges.

Awards night at the Breton High School was well attended by parents when about 20 of the young people of the Buck Creek district received awards.

Harry Nielsen has traded cars. Is this your 80th birthday present to your self?

Education Notes

FROM THE SUPERINTENDENT'S DESK

SCHOOL TRUSTEES MEET

The annual convention of the C.S.T.A. was held at the Chateau Lacombe in Edmonton, May 28th to 30th. Object theme of the convention. Plenary sessions dealt with three main topics: "Today's Objectives in Education", "Tomorrow's Objectives in Education", and "The Role of School Trustees in Determining and Meeting Objectives of Education". Mrs. A. Clarke, Mrs. B. Howery, Mrs. A. Kritzing, Mr. R. Bailey, Mr. P. Bakker, and Mr. G. Mann attended from the County of Parkland.

SHORT COURSE, SEMINAR

The 28th Annual School Short Course and Trustees Seminar will be held in Banff from June 8 to 10. Topics for this seminar include new provincial legislation in education, salary agreements, Federal sales taxes, school insurance programs, and accounting practices. Mr. R.A. Bailey, Mr. I. Vowk, and Mr. G. Mann, Chairman of the School Committee will represent the County of Parkland at this seminar.

INVENTORY PROJECT

Official notice from the Department of Manpower and Immigration for an extension of the termination date for the school inventory project was received by the County of Parkland. A request for the extension was submitted because of a delayed approval on the project. The project was funded to a total of \$13,242.00 by the Federal Government and was to expire at the end of May. It will now be possible

to complete the inventory before the new deadline of June 16, 1972. The project employed up to ten residents of the County since February of this year. Mr. Walter Gehring of Stony Plain is the project coordinator.

STUDENT RECEIVES RECOGNITION

Ericka Grundke, a grade twelve student at Seba Beach High School recently placed among the top contestants in a provincial competition sponsored by the Canadian Association of Physicists. Miss Grundke was the only girl among fifteen students named as a group as having the highest marks in the competition. Over 290 physics students in Alberta high schools competed for the awards. Congratulations are extended to Ericka.

GRADUATION EXERCISES

Seba Beach School honored its graduands at a banquet and dance on May 26, 1972. The graduands included Gary Beaumont, Terry Bentley, Elaine Buchanan, Ken Christensen, Gail Erwin, John Escallier, Ericka Grundke, Dorcas Hiltz, Gerald Murray, Ann Regula, Linda Reich, Judy Richter, Kathy Rozgo, Irene Sawchuk, Patricia Wolodko, Dianne Yakimovich, Terri Yakimovich and Hilary Prockiw. Mr. W. J. Anderson introduced each graduand and a toast to them was presented by Mr. D. Haugen. Valedictorian for the students was Miss Ericka Grundke. Guest speaker, Mr. A. R. Myhre, addressed the audience on the topic of "Living and Learning".

Gloria Belcher was one of 13 students who enrolled in Drayton Valley's first flying instruction program. Instructor Glen Toews began teaching Saturday at the local airfield.

YOUR M.L.A. REPORTS

PETER TRYNCHY, M.L.A.

This past week, the regular proceedings of the Session were put aside, in order that all members of the Legislature could attend the Tentative Natural Resource Revenue Plan Hearings, held on May 23, 24 and 25th. The Chairman of these hearings was Dr. Donald J. McCrimmon, (P.C. - Ponoka).

In all, thirty-seven companies and organizations submitted briefs to the standing Committee on Public Affairs, Agriculture and Education. The purpose of these public hearings was to enable the Government to obtain the differing views held by the petroleum industry and other interested groups on the Government's Tentative Position on Resource Revenue. The Government's plan was to raise \$50 - \$90 million in added revenue by taxing proven crude oil reserves.

As might have been expected, oil companies such as Chevron Standard, Dome Petroleum, Husky Oil, Pacific Petroleum, B.P. Oil and Gas, Petrofina Canada Ltd., Amoco Canada Ltd., and associations concerned with the oil industry such as the Canadian Petroleum Association and the Independent Petroleum Association of Canada, heavily criticized the government's tentative plan, asserting that it would

have a detrimental effect on exploration, the obtaining of investment capital, future expansion of the industry and would also have the possible effect of causing low-producing wells to be abandoned.

Unifarm, representing 36,000 Albertans, rejected the opposition expressed by the majority of the oil industry, and said that the industry could afford an increase of up to 50 cents a barrel, and still remain competitive with other world markets. The Alberta Federation of Labour also supported the government's tentative plan, also stating that the oil companies could easily afford the extra revenues proposed by the government.

It was a disappointment to the government that none of the major oil companies, for example Imperial Oil Limited, submitted briefs to the hearings, and also that none of the industry's submissions contained any alternative proposals to raise revenue from resources.

The three-day public hearings ended on Thursday afternoon, and Mines and Minerals Minister, Bill Dickie, has stated that the cabinet will discuss all the submissions and proposals, and come to a firm decision on the government's stand by July 30th, 1972.

Lodgepole cubs show how its done in the Semaphore competition at the Pembina District Annual Cuboree.

D.V. Cubs Attend Pembina Cuboree

Over 140 cubs, including two cub packs from Drayton Valley, took part in the Pembina District Annual Cuboree at Pembina Provincial Park June 4th.

Whitecourt, Sangudo, Alder Flats, Lodgepole, Mayerthorpe, Gainford, and Drayton Valley were represented in the various competitions. Opening with the Grand Howl and flag raising, cubs competed in the three-legged race, message competition, Indian wrestling, rescue relay, Tug-O-War, wheel barrow race, and semaphore. Whitecourt took the Competition Plaque after having to break a tie with Mayerthorpe by running a relay race. Best All-Around Plaque went to the Sangudo cubs; Sportsmanship was won by Alder Flats; and the Semaphore Plaque was taken by Lodgepole.

Nigel Aspeslet, Chairman of the Pembina District, ex-

plained that the cubs meet every year at Pembina Park to compete against each other.

This year, two cubs from the School for the Deaf were guests of the Pembina Cuboree.

The day ended for the cubs after a flag raid, peanut scramble, lunch, and final Grand Howl.

R.C.M.P. to Observe 100th Anniversary During 1973

One hundred years of RCMP service to Canadians will be celebrated in 1973 with colourful events that recall the Force's early deeds and achievements and shows, exhibitions and other attractions that focus on its use of science and technology in crime detection and law enforcement.

The Centennial program, announced recently by Solicitor General Jean-Pierre Goyer and RCMP Commissioner W. L. Higgitt, provides for broad public participation in Centennial celebrations which will extend over a period of several months and into all regions of Canada.

Highlights of the program will include Centennial ceremonies in Ottawa on May 23, 1973. An RCMP contingent will be reviewed on Parliament Hill by government leaders and participate in an historical pageant involving members of the Force in North West Mounted Police uniforms and the reading of a Centennial proclamation. RCMP parades in provincial capitals are also scheduled for May 23 which will be the 100th anniversary of the passing of an 1873 Act of Parliament "respecting the Administration of Justice and for the establishment of a Police Force in the North West Territories."

Canada-wide tours of the RCMP Band and the renowned Musical Ride will be another feature of the Centennial program. The band will present public concerts in all provinces, plus the Yukon and the North West Territories, and the Musical Ride will give several performances in each of the 10 provinces.

Centennial shows and exhibitions will include a travelling display of historical RCMP artifacts and a crime detection show highlighting the Force's modern crime detection methods and technology. This latter show is expected to run for several weeks in Montreal and Tor-

onto. The public will be able to participate in a simulated investigation and gain firsthand knowledge of RCMP methods.

The RCMP will stage its most northerly patrol during Centennial year. An RCMP aircraft will first fly to Larsen Sound on the west coast of Boothia Peninsula in the Northwest Territories where a cairn will be erected in memory of the late Superintendent Henry Larsen who commanded the RCMP ship, "St. Roch". This ship was the first to navigate the Northwest Passage in both directions. The patrol will continue to the North Pole where a scroll or tablet will be deposited.

A Canada-wide physical fitness project is being planned for young Canadians of school age. It could include holiday trips to youth camps in the Rocky Mountains and the Laurentians.

Other Divisional activities planned as part of the Centennial include participation in Prince Edward Island's centennial celebrations, the official opening of new RCMP buildings in Toronto and Montreal, and ceremonies at historical sites associated with the early days of the Force. Forts Macleod and Whoop-up in Alberta and Fort York in Toronto will be among these sites.

In Regina, "the cradle of the Force", Centennial events will include the first ever reunion of the No. 1

Provost Corps (RCMP) and a memorial service in the RCMP Chapel, Regina's oldest building, for men of the NWMP, RNWMP and RCMP who died while on active service with the Force.

On August 30, 1973, a new RCMP Museum will be opened in Regina. This date, the 100th anniversary of the signing in 1873 by Lord Dufferin and Sir John A. Macdonald of the Order-in-Council approving the establishment of the North West Mounted Police, will be designated RCMP Centennial Day. Many municipalities throughout Canada will observe the occasion by staging RCMP birthday celebrations.

Jay Meraw Wins Athletic Award in City

Jay Meraw, Grade XII student at Austin O'Brien High School, Edmonton, won the Walter Loewe-Memorial Award at the annual Awards Day held last Wednesday, May 31st.

The trophy is given to the outstanding male athlete of the entire school year. Jay was one of six candidates for the position.

Jay, the son of Dene and Kay Meraw of Drayton Valley plans to continue in the faculty of Education at the University of Alberta this fall.

Alder Flats News

Mr. Gene Seely received word that his eleven year old nephew from Nanton was killed a week ago Saturday when he was kicked by a horse.

Nancy Seely narrowly escaped serious injury when she was kicked by a horse the following Sunday. She was knocked out but was o.k. when she came too.

Mrs. Elsie Seely left by train on Monday afternoon for Vancouver to visit her father and to bring him back home with her for a visit.

The Buck Lake Ladies won the ball game here on Thursday evening.

Some of the Alder Flats Ladies ball players joined together with Winfield to play in the Leslieville tournament on Sunday and took second prize money of forty dollars. They played their first games against Leslieville and Buck Lake, winning both games. They lost their last game against Sylvan Lake.

The Alder Flats boys and girls high school teams played in the high school tournament held in Breton on Saturday.

Several students from here competed in the track and field at Camrose May 27th. Those who won ribbons were Dwayne Tugwell, he got first in shot-put and 2nd in javelin. Robert Maciborsky got 1st in long jump and 3rd in hop-skip-and-jump. David Sluchinski got 2nd in hurdles. The three boys competed in the Provincials the past weekend in Edmonton. Dwayne placed third in javelin, Robert and David didn't place.

Congratulations to Joanne Knight and Carl Schultz who were married in Rocky on Saturday and had their reception, open house and dance at the Alder Flats Community Hall.

I hope to have a report on the grades 4 and 5's recent trip to Calgary in the next edition.

Steve Stefura has been discharged from the hospital and is back home again.

We have two families leaving our district at the end of June. They are the Eric Wennerstroms and the Vin Farrells.

The Students Union will be

selling chocolate bars in support of the fast ball team.

The Bush Wackers fast ball team played in the New Norway, 12 team high school tournament on Saturday, May 13th. They won their first game 18-6 against Rosalind, they received a bye and they lost the semi-final game against New Norway 6-3.

Visiting at the Lou Seely's for a week were her mom and dad Mr. and Mrs. John Peterson of Lethbridge, her aunt Ardella Bennett of Magrath, her sister Ladene Flynn of Vancouver and their daughter Linda Couture of Sylvan Lake. They celebrated Darlene's mom's birthday Thursday the 18th along with Lou's which was on the 13th.

The annual Brownies "Mothers Day Tea" held in the Legion Hall Saturday the 13th was once again very successful. Mrs. Tugwell was the lucky winner of the draw for the doilie.

The Frank Fosters had about sixty relatives attend the family reunion held at their home Sunday the 21st.

Bridal shower was held in honor of Joanne Knight in the Legion Hall, Friday evening May 19th. There were about thirty ladies and young girls present to wish Joanne happiness in her coming marriage. The evening was spent in playing a few games. Her sisters Sylvia Stewart and Trudy Knight assisted her with the opening and recording of the gifts. A delicious lunch was served by hostesses Connie and Heather Maclean, Rita Kellgren, Doris Tugwell and Ivy Kellgren. Mrs. Shirley Shanks made all the arrangements for the shower but was unable to attend because of the flu bug.

Mrs. Ella Simon was the lucky winner of the bicycle draw at the Mountain View

store. Congratulations!

May 24th cash bingo winners were: Dennis Maciborski, Don Hayduk, Mrs. Lois Johnson, Mrs. Eileen Dunn, Mr. Art Speakman, Mrs. Margie Hammond, Mrs. Betty Turner, Mrs. Geneva Paten, Mrs. P. Wennerstrom and Mrs. Marg Miller was the winner of the blackout of twenty dollars. Greg Hayduk and Mrs. Nellie Hare were consolation winners of a free master card to the next bingo. Mary Dunn was the lucky winner of the pot of gold in the amount of \$19.95, Donnie Hayduks number won the donuts. One more number will be added to the numbers called for the big jackpot which will be worth \$80 at the next bingo.

Harold and Bernice Johnson were guests at the National Supply Companies Annual Barbeque on Saturday evening, May 27th at the O.T.S. Park in Edmonton.

The Warburg, Breton and Alder Flats Covenant Young people gathered here on Saturday for a ball game and then they all went down to the creek on Howard Pearson's ranch for a weiner roast and treasure hunt. They all had a great time.

Community Kindergarten Names New Executive

A general meeting of the Drayton Valley Community Kindergarten was held Monday, May 29th. Mr. Neil McDowell, Director of Counselling and Special Education for the County of Parkland, gave a talk on a child's progress in kindergarten and the obstacles they can encounter.

President Jeannette Vatter gave a rundown of the year's events and teacher, Doris Tyerman, gave a general review of activities within the kindergarten class.

The new executive is: President, Zen Haydey; first vice-president, Barb Krause; treasurer, Lou Foster; and secretary, Nancy Jackshaw. Board members are Gil Hasenclever, Lil Mayhew, Georgina Bolianatz, and Isolde Zubot.

There are 41 registrations for next fall's class. Those wishing to register their children can get the application form from either Jeannette Vatter or Zen Haydey.

Church Survey

At the last meeting of the Drayton Valley Ministerial Association, it was decided to conduct a mini-survey of religious preference in the town of Drayton Valley. The clergymen felt they could better serve the needs of the community if this survey was carried out.

The survey should take place Thursday, June 8 with teams made up of two members from each congregation in town.

Drayton Girls Win Raft Race

Terry Cable, 19, and Cindy Vowk, 19, both of Drayton Valley, took first place in the annual Big Valley Raft Race held on the Red Deer River June 3rd and 4th.

Two other teams from Drayton Valley placed in the race -- third place went to Cathy Yurchak, 19, and Arlene Swendsied, 18; and ninth place was won by Rick La-Pointe, 21, and Bob Cable, 23.

The race begins at the shot of the gun -- the teams run into the water, nail together their rafts, and start paddling downstream for five or six miles. The raft that reaches the finish line first is the winner.

Ten women's rafts and 50 men's rafts were entered,

with the women getting a 15 minute head start. None of the men's teams were able to catch Terry Cable and Cindy Vowk on their raft.

Sponsored by the Big Valley Legion, the women first place winners received \$20. each and a trophy.

The race was actually a two-day event, beginning with the auctioning off of the rafts, a steak barbeque and a dance Saturday night. A pancake breakfast was served Sunday morning, followed by the raft race, and ending with competitions such as baseball, log sawing, greased pole climbing, horse-shoes, and rolling pin throwing.

Entwistle School Holds Awards Day

The Entwistle School held its second annual Awards Day recently at the Entwistle School. Pins were presented for excellence in the academic areas of: language arts, social studies, and mathematics. A special award was also given to the top academic student.

Students in each of grades 6 to 9 were honored. Awards in the form of the letter "E" were also presented for athletic attainment and special awards were given for library service and citizenship.

Several guests were on hand to present the awards. They included: Mr. George Mann, Chairman of School Committee, County of Parkland; Mrs. Amelia Clark, Member of School Committee for Village of Entwistle; Mr. Neil McDowell, Director of Guidance and Special Education for the County of

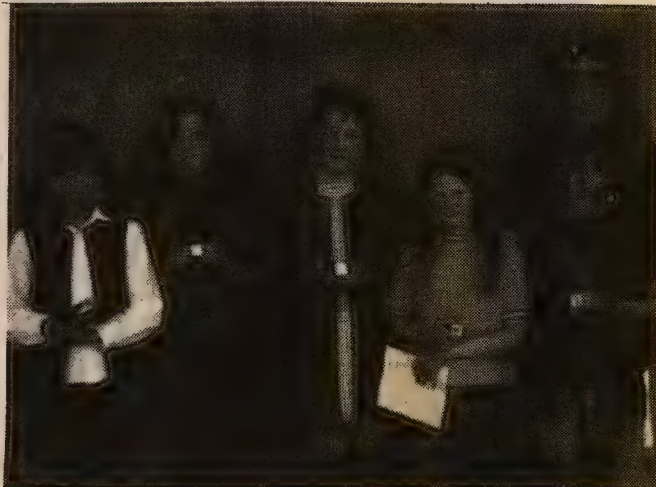

Parkland; Mrs. Doris Field, Honored Royal Lady of the Entwistle Royal Purple and Ted Starling, donor of the Linda Starling Citizenship Award; Mr. Bill Gulka and Miss Gloria Cherniwchan, Physical Education Teacher at Entwistle, presented the Athletic Awards; and Mrs. Carol Wagstaff presented the Library Service Award.

Mr. Brian Ganske, Principal, served as Master of Ceremonies. He noted that the awards were an expansion on last year's program and he indicated that it was hoped that next year the lower grades (1 to 5) could be included in the awards day program.

Groups donating towards the awards day included the Entwistle Royal Purple, The Entwistle Home and School and The Entwistle School Students Union.

Wildwood Sports Day Success

Wildwood Sport's Day on May 22nd turned out to be a tremendous success in every respect.

To encourage a large turnout, no admission was charged at the gate and nearly \$200.00 was paid out in prizes at the Sport's Ground for student participants in races, ball games and as assistants.

Junkins Community Association which sponsored the Sport's Day would like to thank all those students and parents who helped to make this day a successful one. A special thank you is extended to those who bought raffle tickets which were sold to help raise the prize money. Special thanks is extended to Mr. W. Hewins, the race starter, Mrs. C. Gatzke who recorded the winners, Mr. J. Akers for setting up the sound system all others who pitched in to make this day a success.

It is interesting to note that there was one hundred percent attendance of those youngsters who were picked for the various ball teams at the school. Everyone in each age category who wanted to play and felt they would be at the Sport's Day got a chance to play. A total of 87 students, aged 9 to 16 received prize money for participation in the ball games.

Members of Junkins Community Association were really kept hopping in the

booth and elsewhere ... but it was really worth it. We would like to say thanks to all those in the area for sending their children as well as to the many adults who were able to come out themselves.

Winners include: Pre-school dash, Girls 1st, Margaret Kreiger, 2nd, Jackie Logan, 3rd, Noreen Hut; Boys, L. Patrick Rehn, 2nd Gary Horvat, 3rd Chad Allan.

FARMHAND'S® BALED HAY SYSTEM— 'NO SWEAT' FROM START TO FINISH!

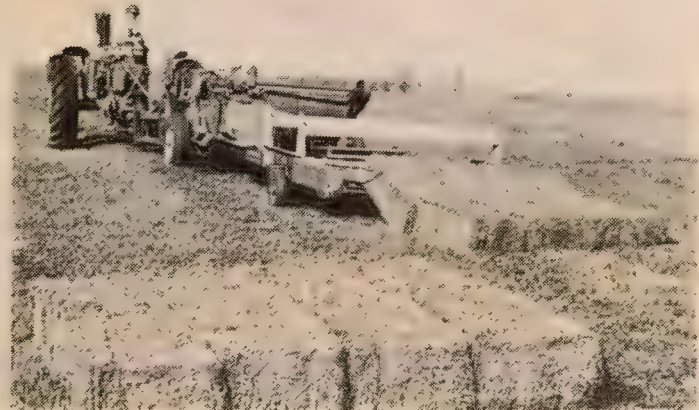

A great way to make big savings in both time and money.

Farmhand's Baled Hay System is based on the following principle: the faster and more efficiently you can get your hay crop cut, baled and stored—the better quality hay you'll have.

The keys to the Farmhand System are the Bale Accumulator and a Farmhand Loader equipped with the Bale Fork.

What makes the Farmhand System so attractive is 1) economical equipment costs, 2) no wagons behind your baler, 3) bales are laid out in "packs of 8", 4) you can stack bales high and weather-tight, and 5) there is *no hand labor* involved.

In a 1,000-ton-a-year operation you can put up hay for about \$3.18 per ton. In smaller operations your costs are still extremely low.

A graphic view of the Bale Accumulator in action. Note the tight pack of 8 bales in foreground as another '8 Pack' is being dropped—also ready for pick-up and stacking.

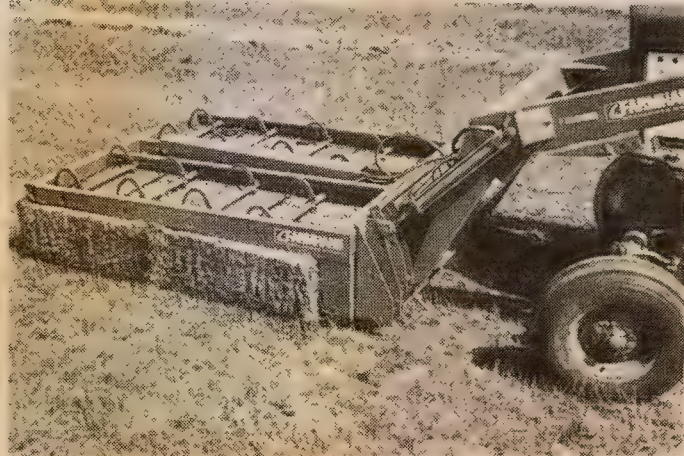

A Farmhand territory manager will be on hand JUNE 7th & 8th to show films and discuss Farmhand bale handling systems. Coffee and doughnuts will be served.

ONE-MAN HANDLING OF 8-10 BALES AT A TIME WITH AN UNBELIEVABLY LOW MACHINERY INVESTMENT!

This 1-man bale handling system is the perfect example of how Farmhand makes your machinery dollars work harder!

The bale accumulator, hitched to your baler, arranges the bales into neat, tight packs of 8 and the entire pack skids off to the ground. Then you pick up the 8-pack with the unique Farmhand bale fork. It grabs the pack from the top with two hydraulically operated hooks per bale.

What could be simpler? Accumulator and fork, plus an *all-purpose* Farmhand loader (F10, F11, F21, F27, Ranch Hand) — a 1-man system with rock-bottom dollar investment!

A closer look at the Bale Fork. Unlike others, the Farmhand model grabs all 8 bales (without squeezing them) across the top—not the sides—with two hydraulically operated hooks per bale. This allows you to stack hay tight—leaving no room for water or weather to spoil stacked hay.

With Farmhand, you choose the Loader with the height lift you need: The Farmhand F-10 will stack bales 14 tiers high, the F-11, eleven tiers and the F-21, nine. And it's all done with *no hand labor*.

ENERGY RESOURCES CONSERVATION BOARD Oil and Gas Brazee River Field Application No. 6310 AMENDED NOTICE OF HEARING

TAKE NOTICE that examiners appointed by the Energy Resources Conservation Board will hold a public hearing at the offices of the Board, 603-6 Avenue S.W., Calgary, Alberta, T2P 0T4, on Thursday, June 22, 1972, at the hour of 9:00 a.m., for the purpose of hearing representations respecting an application by Hudson's Bay Oil and Gas Company Limited for amendment of approval of a scheme to provide for an increase in the raw gas processing capacity of the Brazee River Gas Plant from 114.0 million cubic feet per day to 196.1 million cubic feet per day. The expanded plant would produce 176.4 million cubic feet of sales gas per day, 2662 barrels of stabilized pentanes plus per day and 89.3 long tons of sulphur per day. Sulphur not recovered would be exhausted to the atmosphere as sulphur dioxide at a maximum rate of 19.78 long ton of sulphur dioxide per day through an incinerator stack 275 feet in height.

Copies of the application and information and particulars filed in support thereof may be obtained by interested persons from Hudson's Bay Oil and Gas Company Limited, 320-7 Avenue S.W., Calgary, Alberta, T2P 0X4. Any person intending to make a submission with respect to this application shall file, on or before June 16, 1972, seven copies of the submission with the Board at its above address and one copy of the submission with the applicant at its above address.

DATED at Calgary, Alberta on June 2, 1972.
ENERGY RESOURCES CONSERVATION BOARD

Board Solicitor

Accepting Briefs

Hon. R.W. Dowling, Chairman of the Communal Properties Study announces the committee is now accepting written briefs relating to the communal properties study.

The signed, hand written or typed submissions must be received by the Chairman, Room 228, Legislative Building, Edmonton, no later than June 21st, 1972.

The committee will study the effects of the communal use of land on the economic and social climate of Alberta and recommend changes in policy and legislation, relative to the communal use of land, as may be deemed appropriate.

Whitby News

Mr. and Mrs. S. Block of Germany (Mrs. Adle Glubs parents) were visiting with Hanna and Edward Schadeck last week.

Carol Kelly and Joedy and Irene Siebels visited Marilyn Worden recently.

Ed, Hanna Schadeck and family and Rennie, Eileen Belva and family went to do some fishing. Didn't have much luck fishing but had a weiner roast and lots of fun.

Adolph Jersch has bought a house and moved it on his place so he is very busy getting it ready to move in. Lorraine and Marvin Sullivan went to the stock car races and ended up at the gymkhana last Sunday.

Joe and Carol Kelly and Cecil and Phyllis Kelly went to a barbeque steak supper last Friday at Cynthia.

Jody and Robin Kelly spent the weekend in Drayton Valley with their grandparents.

Coming Events -- Father's Day picnic at Whitby on June 18th. Bingo, ball games and races for kids - also a draw for some lucky boy or girl to give to father.
